Sir:

Petitioner, **Xencor, Inc.** (hereinafter "Xencor"), represents that it is the assignee of the entire right, title, and interest of:

1. The instant application, U.S. Serial No. 10/666,311, filed September 18, 2003, pending; which is a divisional of U.S.S.N. 09/782,004, filed February 12, 2001, pending; and
2. U.S. Serial No. 09/927,790, filed August 10, 2001, pending, which is a continuation-in-part of U.S. Serial No. 09/782,004, filed February 12, 2001, pending, which is a continuation of U.S. Serial No. 09/419,351, filed October 15, 1999, now U.S. Patent No. 6,403,312.

An assignment is recorded in the United States Patent and Trademark Office for U.S. Serial No. U.S. Serial No. 09/927,790, filed August 10, 2001, at Reel No. 012502, Frame No. 0412, on January 23, 2002.

Xencor hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154-156 and 173, as shortened by any terminal disclaimer of U.S. Serial No. 09/927,790, filed August 10, 2001.

Xencor hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

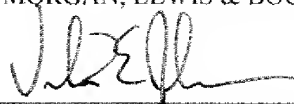

In making the above disclaimer, Xencor does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154-156 and 173 of U.S. Serial No. 09/927,790, filed August 10, 2001, as shortened by any terminal disclaimer, in the event that the patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer.

The undersigned is empowered to act on behalf of the petitioner/assignee. The undersigned has reviewed the evidentiary documents in the chain of title of the present application identified above, and certifies that, to the best of assignee's knowledge and belief, title is in the assignee Xencor.

Also included herewith is the terminal disclaimer fee of \$65.00 under 37 C.F.R. 1.20(d). While Applicants believe that no other fees are due at this time, the Commissioner is authorized to charge any fees, including extension fees or any other relief that may be required, in connection with this reply to Deposit Account 50-0310 (Docket No.: 67461-5041US05).
